

# BEADS & DOTS

THE MONTHLY NEWSLETTER PRODUCED BY ADSOL UK

DEAR READER

Welcome to BEADS & DOTS; the monthly newsletter from the team at ADSOL UK! **Each month**, we will keep you up to date with the latest news and information related to ADSOL UK, our leading Meler hot melt equipment plus hot glue machinery in general. In this, our newly revised format first edition, you will find an introduction to our business and how we can help you. Whether you use **Meler** equipment or other, we can support you. Also watch out for our **e-weekly alerts**; if we have bit-size chunks of information that we believe will help and inform you we will get it over to you.

*Best wishes, from the ADSOL Team.*

In 2015 we were awarded the prestigious **PPMA Customer Service Award**, proving that we aren't just good at what we do, but our customers love and appreciate us and our industry peers recognize this too!

## Welcoming a new life

We had a lovely surprise recently. The ADSOL team were able to meet the new arrival as Danielle, *our previous Office Manager*, called in to see us with her brand new baby, Luna. Luna is the second ADSOL baby!

## Introducing the Meler Micron Series melters

Stylish design and cutting-edge technology meld together into the award-winning Meler Micron Series of melters. These melters boast increased energy and pumping efficiency over other melters in the market, saving you time and money. The Microns were awarded the Red Dot Award for Product Design in 2014; showing just how good they really are.
