

BEADS & DOTS

THE MONTHLY NEWSLETTER PRODUCED BY ADSOL UK

Welcome to the December 2016 BEADS & DOTS; the monthly newsletter from the team at ADSOL UK. Each month, we will keep you up to date with the latest news and information related to ADSOL UK, **The Hot Glue Machinery Experts**, and our leading Meler hot melt equipment plus hot glue machinery in general.

Whether you use Meler equipment or other (such as **Nordson**), we can support you and save you money. Also watch out for our hot alerts; if we have bite-size chunks of information that we believe will help and inform you we will get it over to you.

Merry Christmas and Happy New Year, from the ADSOL Team.

ALL OF OUR TANKS COME WITH A
**24 MONTH
GUARANTEE**

TRULY A 24/7 SERVICE

When we say we are a 24/7 company it isn't just marketing speech. It's a bold claim that we live up to all year long.

This topic comes up a lot near the Christmas holidays as businesses up and down the country continue production over the festive period and for a lot of businesses Christmas is the busiest time of the year. Unlike our competitors we maintain our 24/7 pledge over the holidays, keeping your systems running smoothly and ensuring you all have a very merry Christmas with no hot melt woes.

Safety First with Hot Melt Adhesive

It should never be forgotten that accidents can, and will, happen if your hot melt and hot glue machinery is not run and managed correctly. The biggest potential hazard is serious burns from the glue. Read more and stay safe.

Moving the clocks forward - Timers on our Tanks

All of our Meler Glue units have timers built in, so you can set the systems to switch on and then switch off daily at programmed times over a seven day cycle. You can switch them off at end of day and have them switch themselves on before production starts!

Case Study: Shielded Foot Pedal for EMS Provider

We recently set up a foot pedal connected to one of our Meler Microns (complete with hose and gun) for one of our customers, so that their operators can enjoy hands-free glue application.
