

BEADS & DOTS

THE MONTHLY NEWSLETTER PRODUCED BY ADSOL UK

Welcome to the October 2016 BEADS & DOTS; the monthly newsletter from the team at ADSOL UK. Each month, we will keep you up to date with the latest news and information related to ADSOL UK, ***The Hot Glue Machinery Experts***, and our leading Meler hot melt equipment plus hot glue machinery in general.

Whether you use Meler equipment or other (such as **Nordson**), we can support you and save you money. Also watch out for our hot alerts; if we have bite-size chunks of information that we believe will help and inform you we will get it over to you.

Best wishes, from the ADSOL Team.

BREXIT AND OUR PRICES

It seems like everyone is increasing their prices to offset the inflation and weaker pound. Here at ADSOL

we will do no such thing; our prices will stay the same all year long, as usual. You can always rely on our consistently great value and excellent service!

Packaging Innovations 2016

The Packaging Innovations 2016 show was on recently and we sent our sales guys down to look around the exhibitions. They were very impressed with what they saw!

Case Study: Shielded Foot Pedal for EMS Provider

We recently set up a foot pedal connected to one of our Meler Microns complete with hose and gun for one of our customers, so that their operators can enjoy hands-free glue application.
