

BEADS & DOTS

THE MONTHLY NEWSLETTER PRODUCED BY ADSOL UK

Welcome to the March 2017 BEADS & DOTS; the monthly newsletter from the team at ADSOL UK. Each month, we will keep you up to date with the latest news from ADSOL UK, *The hot glue machinery experts and providers of Meler's leading hot melt equipment to the UK & Ireland.*

Whether you use Meler equipment or other (such as **Nordson**), we can support you fully and save you money. Don't forget, we can support our customers 24/7.

Best Wishes, from the ADSOL Team.

ALL OF OUR TANKS COME WITH A
**24 MONTH
GUARANTEE**

**ADSOL HQ STOCKROOM
ALLOWS FOR SAME DAY DISPATCH**

At ADSOL UK we keep a vast amount of new and commonly used compatible parts, such as hoses, modules and applicators, on our shelves. This allows for market-leading same-day dispatch often resulting in next-day delivery

We stock over 20 different sizes of hose; ranging from 1.8 meters right up to 10 meters in manual and automatic, (Ni120 and PT100); all of which are fully compatible with other manufacturers' systems. Over 100 different sizes of nozzles, repair items such as heaters and sensors are also kept on site and ready for call outs and planned maintenance.

To order from us simply give us a call on 0845 309 6522 or send an email to support@adsoluk.com telling us exactly what you need!

Case Study: Replacing staples for a Retailer

We were recently contacted by a renowned UK retailer, at one of their massive fulfillment centres in Yorkshire, regarding an alternative to using staples in their cardboard box production process. We presented hot melt as the superior option.
