

BEADS & DOTS

THE MONTHLY NEWSLETTER PRODUCED BY ADSOL UK

Welcome to the April 2017 BEADS & DOTS; the monthly newsletter from the team here at ADSOL UK. Each month, we will keep you up to date with the latest news from ADSOL UK, *The hot glue machinery experts and providers of Meler's leading hot melt equipment to the UK & Ireland.*

Whether you use Meler equipment or other (such as **Nordson**), we can support you fully and save you money. Don't forget, we support our customers 24/7 with Technical assistance.

Best Wishes, from the ADSOL Team.

ALL OF OUR TANKS COME WITH A
**24 MONTH
GUARANTEE**

Take our Hot Melt Quick Quiz and see just how we stand up to your current provider of hot melt equipment and services.

ADSOL UK customers already tick 'yes' to all these questions !

HOT MELT QUICK QUIZ

Does your existing supplier of hot melt equipment and servicing provider...?

YES

NO

...have **UK stock holding of key parts:** ready for same-day dispatch?

...have **genuine 24/7 Technical Support** provided by our fully trained engineers?

...provide **tailor-made Service Agreements** for your hot melt systems at times to suit your production schedules?

...have a **UK based workshop;** fully equipped to repair and service your hot melt equipment?

...have a **2 year warranty** on award-winning new melters and a 1 year warranty on parts?

...provide **assistance with any new hot melt projects;** offering top-tier support and advice?

...provide **hot glue machinery training** to make sure you're operating correctly?

...have **competitive prices** that keep your costs down?

...supply **compatible parts** that will work with systems by other manufacturers?

If the answer to any of those questions was NO then you can be sure that we can help. With ADSOL UK the answer to all of the above is YES so make the switch to us; give us a call or send an email!

Manual Gun Refurbishment Package: Only £350

We offer a Manual Gun Refurbishment Package where if you send us your Meler manual applicator one of our engineers can repair and refurbish your gun; replacing the heater, sensor, needle and casing.

After we are done with it, it will be just like brand new and you will save money by not having to buy another. To top it all off, the package will only cost you £350!
