

# BEADS & DOTS

THE MONTHLY NEWSLETTER PRODUCED BY ADSOL UK

Welcome to the June 2017 BEADS & DOTS; the monthly newsletter from the team here at ADSOL UK. Each month, we will keep you up to date with the latest news from ADSOL UK, *The hot glue machinery experts and providers of Meler's leading hot melt equipment to the UK & Ireland.*

Whether you use Meler equipment or other (such as **Nordson**), we can support you fully and save you money. Don't forget, we support our customers 24/7 with technical assistance.

*Best Wishes, from the ADSOL Team.*

ALL OF OUR TANKS COME WITH A  
**24 MONTH  
GUARANTEE**

## After servicing a couple of Robatech systems recently

Some customers still think keeping their hot melt machinery clean isn't vital, or at least it isn't high on their priorities.

In fact, keeping your equipment in top condition involves keeping it clean so that it doesn't get clogged up and new glue doesn't get contaminated with old char and dirt. Keep your melters clean and efficient; call us or send us an email to learn how you can do it!

### **ADSOL building relationships with customers in the Midlands**

From a simple phone call about organising a meeting with their maintenance manager to satisfying their needs for all things hot melt.

This is a case study about how ADSOL builds and maintains great relationships with our customers and how they benefit.

### Featured Product: Meler B4 Swirl Assembly

More and more mattress manufacturers are sleeping easy while using our swirl systems in their mattress production.

It's simple yet effective design makes the B4 one of our best selling melters.

### Don't forget we also work with Nordson equipment!

We might be Meler's partner in the UK & Ireland but that doesn't limit our scope. Our engineers are trained to work with other manufacturers' hot melt equipment (*including Nordson*), so that we can help you no matter what you use. We supply the necessary compatible parts to fit other OEM systems.
